

# Padre-Santa Fe League Summer Soccer Clinic

## For U-7/8 & U-9/10 Players and Coaches

**Warm up this summer with a soccer clinic for players and coaches. The Padre Soccer and Santa Fe Soccer Leagues are teaming up to bring you some of the best trainers in town to get you fired up for a great Fall season. This player tune-up will focus on fundamentals, individual skills, footwork and team play. Coaches receive special training and instruction along with practical experience. Each session will have different focus, so don't miss a single one.**

**Requirements:**

- Open to boys and girls playing U-7/8 or U-9/10 in the Fall, 2004.
- Players must be registered with either Padre Soccer League or the Santa Fe Soccer League. Players from other leagues may participate with proof of membership (player card).
- Players must wear shin guards, bring water and a size 3 ball (U-7/8) or size 4 ball (U-9/10).
- Early registration must be postmarked by July 3rd. Registration will also be accepted onsite, however space is limited so reserve your spot early.

## Why a Clinic for Players & Coaches?

The idea behind the Summer Soccer Clinic is to simultaneously promote player and coach development. The Clinic will be led by area trainers/coaches from Division I & II teams. The *Coaches Session* precedes the *Players Clinic* and will prepare coaches to lead a small group of players through a series of exercises and drills.

## Why a Clinic for U-7/8 & U-9/10 Players Only?

Soccer is the most popular sport played in the world. US Youth Soccer provides an opportunities for players of all ages and skill levels to play until adulthood. And yet sadly, many leave the sport for good between 9-12 years of age. The Padre Soccer League and Santa Fe Soccer League are working together to keep player interest high through creating a fun atmosphere for developing fundamental skills, tournament style play and small sided games.
